

Privacy policy

We assure you at Aeen Shop that all the information that we have collected from you will be properly handled.

Here you will find details of our privacy and cookies policy, and what we may do with the personal information we got from you.

Providing your personal information means your acceptance of the terms of this privacy policy and your consent to us collecting, using and disclosing your personal information as described in this privacy policy. You are not obligated to provide any information to us, but not providing us with the required information prevents our ability to provide you with any products or services on the site Because it depends on your personal information.

If you do not agree to this privacy policy or if you are browsing the site while you are in a country where the use of this site is not permitted, please exit the page immediately.

Personal Information:

The site collects "Personal Information", which is data that can be used to identify people. The site may also collect other data that does not relate to you personally. To find out more about the personal information we collect, read the following:

We receive information as soon as you fill out the forms on the site, as well as when you register and subscribe to any services, including but not limited to interactive services (such as blogs, chat rooms, messages, or other user forums), or when participating in a contest or advertisement, or when filling out a questionnaire or upon submission. On a problem with the site

The information we receive from you includes:

- 1) Your correct date of birth, which is mandatory.
- 2) Any information that you provide when communicating with us or sending us messages.
- 3) Any details of the actions you take on the site and the requests you make.

4) Any details regarding your visits to the site, including without limitation your computer's IP address, password information, page interaction information, traffic data, website data, weblogs, and other data related to the sources you enter.

Once you order products from the site, we keep personal information, including your name, email address, phone numbers, home address, delivery address and / or your credit card billing addresses so that we can complete your orders and collect payments, and so that we can also inform you about the status of your order. This also gives us the ability to manage your account and complete your other requests. Sometimes information can be obtained through authentication or identity verification.

We would also like to inform you that if any regulatory or governmental authority asks us to provide it with your personal information as a result of suspicion of any suspicious activity, we are authorized to do so.

Use of your personal information

Your personal information is not disclosed except as stipulated in this privacy policy or as we will tell you from time to time (through notices that are collected and

provided to you), and that will be for the following purposes:

Increase knowledge of your desires, fears and favorites.

Keep you informed of all new products, events, site changes, service updates, discounts and offers, through the latest developments.

Collecting statistical information for the purposes of marketing analysis.

Communicate with you regarding your purchases, your account, or customer service needs.

- Deliver your requests that you have requested from the site.

Improve site design and traffic, or improve customer patterns.

We may share your personal information with the following parties:

With a credit reference or fraud prevention agency, which may keep a record of that information.

With our affiliates, service providers, and subcontractors who are hired to perform functions on our behalf or to provide services to us, such as warehousing and delivery, marketing and advertising, software development, data processing, web hosting and management, technology service providers, legal office, accounting and auditing And any other third-party service provider. We guarantee that all of these service providers do not collect, use or disclose personal information for any purpose other than performing such jobs or providing services to us or as required by law.

With any potential seller or buyer of Aeen Shop or its assets.

With our business partners, this is done after obtaining your permission, so that they can send the information that is important to you.

- In the event that we are obligated to disclose or share your personal data in order to implement or apply the terms, conditions and other agreements, or to seek to reach available solutions or limit the damages that we may

be exposed to, or to protect rights or property or to ensure the safety or security of Aeenshop, and its employees , Agents, contractors, customers, site visitors or others. This includes exchanging information with other companies for the purposes of fraud protection and credit risk reduction.
